

M.R. Hameed

+94 75 372 7816 | mhdhameedofficial@gmail.com | Kurunegala, Sri Lanka

Profile Summary

HNDIT undergraduate specializing in software development with hands-on experience in Java and MySQL, and a broader working knowledge of full-stack web development (React, PHP, C#, Python, Electron.js). Skilled in building desktop applications and designing user-friendly interfaces using Java Swing, with a strong understanding of OOP and database systems. Enjoys creating polished, well-structured digital products and is seeking an entry-level role to apply and grow technical skills on real-world projects.

Education

Higher National Diploma in Information Technology (HNDIT) | SLIATE, Kurunegala | Sri Lanka | Present

- Undergraduate coursework spans web development, programming, and IT systems.

Diploma in English | ESOF Metro Campus, Kurunegala | Sri Lanka | 2024

G.C.E. Advanced Level - Commerce Stream | Hizbullah Central College | Sri Lanka | 2020

Projects

Driving School Management System (DriveSL Admin) | HNDIT Programming Individual Project

- Designed a web-based driving school management system for Sri Lankan driving schools with DMT compliance requirements.
- Produced full academic documentation: SRS, Use Case, Class, ERD, Architectural, Component and Gantt diagrams.
- Designed key features including student onboarding with NIC validation, batch scheduling and smart auto-batch algorithms.
- Built an accompanying desktop application using Electron.js, React and SQLite with eight fully implemented pages and data visualizations.

Community Problem Reporting System | Web Programming Coursework

- Developed a multi-role web application using PHP, MySQL, HTML and CSS.
- Implemented user dashboards, admin panels and photo upload functionality.
- Designed a professional split-screen login UI with an indigo/purple theme.

Personal Developer Portfolio Website | Independent Project

- Built a personal portfolio site with a dark/neon aesthetic and 3D animations using React Three Fiber, Drei and Spline.

Skills

- Programming Languages: Java, PHP, C#, Python
- Web & Frameworks: React, Electron.js, HTML, CSS
- Databases: MySQL, SQLite
- Other Tools: Java Swing, Git/GitHub
- Soft Skills: Teamwork, Communication, Problem-solving, Leadership, Adaptability, Work Ethic
- Languages Spoken: English, Sinhala, Tamil

Certifications

- Diploma in English - ESOF Metro Campus, Kurunegala (2024)

Achievements

- Completed several self-directed software development projects.
- Published personal software projects on GitHub.
